

Hello FFCA Parents

I know it seems early to think about this as the present school year is just drawing to a close, but it is time to start thinking about your children's uniform requirements for next year.

We STRONGLY recommend coming in before the middle of July at the latest. That way you can be sure you will have your items by the time school starts in September. If you come in later than that, and we are out of items, we cannot guarantee you will have them for the start of school.
